OPENINGS

Craft & Vine, Roanoke

The newest restaurant on Roanoke's Oak Street is scheduled to open Oct 2. Craft & Vine takes up the third floor of a new build on the south end of the strip, and its ample patio overlooking restaurant row is ideal for sunset viewing. The emphasis here is on drinking: There are 49 beers and 16 wines on tap (read about each on touch-screen displays), plus more available in bottles. The tap system makes it easy to sample and learn, with pours starting at 4 ounces for beers and 3 for wines. There's a full bar, specialty cocktails and a martini menu, too, with \$5 martinis Wednesday nights made from Deep Eddy flavored vodkas. Soak it all up with something from the menu of sliders, flatbreads and meat, seafood and vegetable shared plates. 310 S. Oak St., Suite 300, Roanoke, 817-464-8181, craftandvine.restaurant

In the Sack, Fort Worth

Set to open early this month in the Sundance Square space vacated by Oliver's, In the Sack is a grocery and liquor store with prepared food and delivery options. Doubling the space of the original store in Dallas' Uptown neighborhood, the renovated 6,000-square-foot shop will specialize in ready-to-eat and cooked-to-order meals to go, with dishes including Et Tu Brutus Salad, a Caesar topped with chile-rubbed grilled chicken; meatball mac and cheese; Big Mother Clucker, a fried chicken thigh on a savory biscuit with wing sauce and honey; a burger on a beer bread bun; and seared sushi-grade tuna over soba noodles. There's seating for about 50 guests, but you can't drink on site due to TABC rules. Instead, shop the large selection of premium beer, wine and liquor to take home along with basic grocery goods. Delivery within 3 miles is free with a minimum \$20 order, and free for 3 to 7 miles with a \$30 order. Download the app for ordering ease. Open Monday through Saturday at 415 Throckmorton St., Fort Worth, 817-720-7225, inthesack.com.

SusieCakes, Fort Worth

Just opened in WestBend, California-based SusieCakes makes Fort Worth its third Texas location with scratch-made sweets in all shapes and sizes. Recipes from founder Susan Sarich's grandmothers use natural ingredients — such as European butter in tasty buttercream frosting — for the menu of mini and regular cupcakes, layer cakes, and wedding and birthday cakes. It's not all about cakes, though; SusieCakes makes seasonal, crumble-topped fruit pies, cheesecakes, snickerdoodle and chocolate chip cookies, fudge brownies, seven-layer bars and oversize whoopie pies. Open daily in WestBend, 1621 River Run, Suite 151, Fort Worth, 817-813-2253, susiecakes.com.
