SUSIECAKES MARIN

Some people crave desserts just like mom used to make, others have moms who never set foot in a kitchen. Regardless of which camp you happen to fall in, SusieCakes has got the recipe to satisfy any nostalgic sweet tooth. The LA-based bakery — with Marin doors opening this month, offers impeccable, retro-chic favorites such as pies, layer cakes, pudding, frosting-filled cupcakes, cheesecake and enough cookies and bars to give any midwestern church bake sale a run for its money.
