## **Whoopie Pies** | SusieCakes

All-American bakery SusieCakes specializes in Valentine's Day classics: double-crust cherry pie, Southern velvet cake (heart-shaped and for two), mini sugar cookie hearts, and of course, whoopie pies.

**Valentine's Day special:** A cream-filled whoopie pie is like foodie foreplay. You'll also love Susie's peanut cookie sandwich with peanut butter cream.

**On another day, try:** The sweet and salty pecan coconut butterscotch graham cracker seven-layer bar, enriched with condensed milk, butter—whew!—and chocolate (but just a touch).
