

## Creative Gingerbread Houses Showcase Los Angeles Architecture

We also have something from the baking legends at [SusieCakes Bakery](#) -- a California Bungalow that has us craving a Beach Boys Christmas. Now we're hoping that Santa will bring us a surfboard.

SusieCakes' founder and owner, Susan Sarich [told the Los Angeles Times](#) that, "It still does not feel right to me to see cold-weather Christmas things. This house is kind of the culmination of my wanting to do something traditional and putting the California spin on it."

Well Susan, it looks like you and Scout Regalia have accomplished just that. Here's to a very Merry and sunny California holiday season!
